One brand New Button! - Rounded Square Form - Located on main folder with
the prefix "new_button" - Please, note that these do not have the icons applied
to them. Just all 11 colors.

The PSD files have all icons and colors mentioned on this documentation.

Most of the stuff is still in Vector on the PSD files, so you can still re-size them
as you wish. Note that not all of them are vectors.

For requests, questions and doubts, please, mail us at: 2d.ivanp@gmail.com

Thank you!
